

# It's a Brand New School Year at Cumby Elementary and Box Tops 4 Education

Welcome back to school! I hope you had a wonderful summer vacation. I also hope you found a lot of Box Tops!! I am very excited about our BoxTops 4 Education Program sponsored by the Elementary Student Council. We have a busy year planned for our Box Tops program.

Last year our Box Top collections were \$318. That was a great total. Our goal for the 2007-2008 school year is \$600. The best way to reach our goal is for everyone to participate. Last year, we had a lot of students who won prizes in our Monthly Drawings. We will continue to have monthly drawings this year too. We are working to get even better prizes. Remember every filled collection sheet you turn in will be a chance in the next monthly drawing. So turn in as many as you want. If you need extra collection sheets, please ask your teacher, send me an email or check out the Box Tops Website at [www.boxtops4education.com](http://www.boxtops4education.com) , check under the Activities tab.

When you are ready to turn in your filled collection sheets there will be a big Ziploc Bag in your classroom. Please put your filled collection sheets in the bag. Make sure your name, grade and teacher information is completed on each collection sheet. We will eventually have special collection sheets for each class with your special animal and color. Our Monthly drawings will be on the last class day of each month. So be sure to have your collection sheets turned in no later than the day before the drawing. Any collection sheet is good for any drawing.

Also, don't forget our Summer Savin' Contest from last year. Be sure to turn in the Ziploc Bag with your Box Tops that you saved over the summer. Please write your name and your teachers name on your bag. You can turn them in by putting them in your classroom's collection bag. Every student who turns in Box Tops in their Summer Savin' Bag will get a prize. If you are a new student to Cumby Elementary and would like to get a Summer Savin' bag, please ask your teacher. The deadline for this Contest is September 14<sup>th</sup>.

We want our Box Tops Program to be a success, but most of all we want it to be a fun learning experience for everyone. We will be having a few other special collection efforts throughout the school year.

Thanks for your participation and keep up the good work. Together we can all have fun and make our program a big success!!
