The Electronic Application System *Plus* You

TWENTY SCHOOL DISTRICTS AND REGION 8 EDUCATION SERVICE CENTER HAVE FORMED THE ELECTRONIC APPLICATION SYSTEM PLUS YOU (EASY) CONSORTIUM - A JOB APPLICATION SYSTEM THAT ALLOWS APPLICANTS TO SUBMIT THEIR EMPLOYMENT APPLICATION TO ALL PARTICIPATING DISTRICTS AT ONE TIME. ENTER YOUR INFORMATION AND WITH A CLICK OF THE MOUSE, MULTIPLE ENTITIES ARE NOTIFIED OF YOUR APPLICATION SUBMISSION. APPLICANTS MAY SELECT SPECIFIC SCHOOL DISTRICTS TO SEE THEIR ONLINE APPLICATION OR THEY MAY CHOOSE TO ALLOW "ALL" ENTITY MEMBER DISTRICTS TO VIEW THE APPLICATION.

CAN I CHOOSE WHICH SCHOOLS RECEIVE MY APPLICATION?

Absolutely! You can choose to send your application to one, two or all of the member school districts. Just click the box by the school name on the map page and your application will be sent to that district.

HOW WILL I BE CONTACTED?

Communication will be by email until you are invited for a job interview. Be sure to check your email often so you don't miss any communication or job interview invitations.

HOW LONG WILL MY APPLICATION REMAIN ACTIVE?

All applications remain "Active" until your status is changed to "Hired" or your application is not opened for 60 days. At that time, it is designated as "Inactive" but is still in the database and can be retrieved. An "Inactive" application may be reactivated by logging into your application and clicking the reactivation button.

IS MY INFORMATION SAFE?

Yes. The EASY site is completely safe and discrete. You control which districts have access to your application and any communication between you and an individual district is not accessible by any other member.

IS THERE A FEE?

There are no fees to applicants utilizing the EASY website.

IS THERE A LIST OF JOB OPENINGS POSTED ON THE SITE?

Yes, and the list constantly changes. Each district is responsible for posting their open positions. Make sure to visit the EASY system often to view and apply to new postings located under the "Jobs" tab on the website.

WHAT IF I WANT OTHER DISTRICTS NOTIFIED THAT ARE NOT LISTED?

The districts participating in EASY are listed and updated on the Region 8 website, as well as the EASY website. It will be your responsibility to submit individual applications with school districts that are not members of EASY, according to their application policies.

HOW DO I BEGIN?

- Go to www.reg8.net or any of the participating school districts' webpage.
- Click the "Apply" button.
- Create a username and password.
- Enter your information on the site.
- After choosing the receiving districts on the "Where do you want to work?" page and completing your application, the chosen school districts will automatically be able to view your application.
- View the job openings posted under the "Jobs" tab and apply to the ones that interest you.
- You will receive an automatic email on the status of your application.
- You may exit and re-enter the EASY site at any time using your username and password.

WHAT HAPPENS NEXT?

Now that you have applied in general to the districts you have chosen AND applied to their POSTED jobs, make sure to return to the EASY site to view new job postings. You can also update your application if any of your information changes. Each district to which you applied will be reviewing your application and may contact you individually with more questions or to schedule an interview.
