

Last Box Top Update of 2007

Can you believe our school year is almost half over??? I want to say congratulations to our Box Top Monthly Drawing Winners. Everyone is doing a wonderful job collecting Box Tops.

September Winner – Carly Talley
October Winner – Dillon Kinsey
November Winner – Sydney Spillers

Our next Monthly Drawing will be on December 21st. So turn those Box Tops in NO LATER than December 20th to be entered in that drawing. We will also have a special drawing that day for a \$25 Savings Bond. That drawing will have everyone who has turned in Box Tops so far this entire school year. It will be all the names from the September, October, November and December Drawings!!

So just a few reminders as we get ready for the Holidays....

- ★ Ask family and friends to help us by saving their Box Tops too!! Ask them to send their Box Tops to you and you can get more chances in the monthly drawing.
- ★ Parents- If you plan to shop online this Holiday Season, Sign up at the Box Top Website www.boxtops4education.com and shop through the Box Tops Marketplace. Participating web stores will donate a percentage of your sale to our school when you shop through the marketplace. Then you can also enter the Bonus Opportunity Contests under the Promotions tab on the Box Top website.
- ★ Many of us celebrate with wonderful Holiday Meals with our families. Check out the Box Top Website for great recipes and savings on participating products. Print out coupons for your Holiday food shopping.
- ★ Check out the new section all about Box Tops 4 Education that is on our school website www.cumbyisd.net. Look on the left hand side and click on the Box Tops 4 Education link. Here you can print extra collection sheets, see the latest memos and check out our progress on our goal thermometer too.

Most importantly keep those Box Tops Coming in!! You may have seen the Goal Thermometer in the Hallway at school. We can fill it up with Box Tops.

Thanks for all the great work already this school year. Keep bringing in those Box Tops!! They are adding up!!
