

Box Tops 4 Education November Update

I am very proud of our students and their effort to collect BoxTops. Our first submission for this school year was \$565. Combine that with our end of year submission last year and our first check will be at least \$640. There are some sign-up bonuses that will increase the amount of the check that are not yet posted. So a great big THANKS to everyone who is bringing in Box Tops. Keep up the good work!! Encourage your classmates to participate too.

WE HAVE ACHIEVED OUR FIRST GOAL OF \$600.

Keep an eye on the new Goal Thermometer in the hall near the front doors. Here you will see announcements, upcoming important dates for our Box Tops Program, winners of our monthly drawings and our progress toward our goals. I have set a new goal of \$1,000. So watch for updates and information about the Box Tops Program.

How often do you check our school's website? Well next time you are online, stop by and see what you can do online. Also check out the new section all about our Box Tops Program too. You can go to http://www.cumbyisd.net/boxtops_for_education.htm or go to www.cumbyisd.net and look on the left hand side of the page and click on the Box Tops For Education link. In this section you can learn how to sign up with the Box Tops Booster Club. Membership allows you to enter bonus promotions, shop online through the Marketplace and see all the latest news from Box Tops. You can also print extra collection sheets or view the latest memos. Remember any collection sheet is good for any of the monthly drawings. You do not have to use collection sheets, you can submit your Box Tops in a baggie with your name written on the baggie and I'll make sure you get your name in the monthly drawing.

With the Holidays approaching, there are a lot of opportunities to increase your Box Top collections. There is additional Holiday cooking, there are many Holiday Recipes on the website www.boxtops4education.com . There are visits from friends and family who can help you by saving Box Tops for you and our school all year long (all you have to do is ask them to send the Box Tops to you). There is online shopping through the Marketplace that gives parents the chance to save some time shopping and earn bonus Box Tops for our school.

The Student Council appreciates all of the help each of you has given to our Box Tops 4 Education Program this year. Please continue to send in those Box Tops!!!
