

BoxTops 4 Education Update

We are starting off with a big bang for our Box Tops Program!! I expect our kids not only to meet, but to exceed our \$600 goal for this year. I am very proud!!

Our first Monthly Drawing will be on Friday September 28th. Please get all of your BoxTops turned in by Thursday September 27th to be included in the first drawing. Any BoxTops turned in after Thursday September 27th will be entered in the October Monthly Drawing.

Just a note for everyone.

Your child ***does not*** have to send their BoxTops in on a collection sheet to be entered in the monthly drawing. If you would like, you and your child may submit your child's BoxTops in a baggie with their name written on the baggie. You can save time this way. If you have more than one student and would like to write more than one name on the baggie, I will be glad to give each student a chance in the drawing. Every 10 BoxTops in the baggie I will make sure your child receives one entry into the next monthly drawing.

One last reminder

The BoxTop Booster Club Sign-Up link will end on October 31st. If you have not already signed up at www.boxtops4education.com/club please do that as soon as possible. Our school will receive 14 bonus BoxTops for every member that signs up and designates Cumby School as their school. So hurry that promotion ends very soon.

Thanks for all of the support and BoxTops already this year. I am very proud of the participation from the students and families. We can all work together to help our Student Council.
